**Buys of  
the Week**

## SATA RPS

*The mixing cup for  
painting, refilling  
& storing paint*

Your choice!

Now in 3 sizes!

- Simple -- only 3 components: Cup, Lid, and Sieve
- No Compromise -- no adapters required for SATA spray guns.  
Adaptors available for ALL other makes & models
- Perfect -- reliable gravity flow cup principle • Doesn't restrict flow like other cups
  - Economical -- saves time and cleaning agent
- Improved Color Match • Sturdy -- perfect for storing unused material
